Experience

Software Engineer

UnitedHealth Group

Jul 2021 - Present (2 years 1 month)

Accomplishments:

1. Developed and launched the redesigned PAS application from the ground up, employing a next-gen tech stack including React, Next.js, TypeScript, and Node.js

2. Implemented data-driven UX improvements, by leveraging azure insights and splunk logs to successfully understand user pain points and streamline workflow, which translated to estimated USD20 million in savings.

Daily responsibilities:

1. Develop optimised and well-documented global components in React Ts.
2. Integrate APIs to retrieve and display data.
3. Build API using Node and Express.
4. Write and maintain Cypress and cucumber automation test suites.
5. Host daily stand ups and organising team meet ups.
6. Collaborate with a globally distributed team using Agile methodologies, to ensure timely delivery of Features.

Co-Founder

Aliste Technologies

Feb 2019 - Oct 2020 (1 year 9 months)

1. Played a key role in the design and development of our feature-rich mobile app using React Native, enabling seamless control of switches, geo-fencing capabilities, smart schedules and more

2. Created the company's website utilizing Webflow, ensuring an intuitive and visually appealing user experience.

3. Led the design process for branding, brochures, and other marketing assets, maintaining a cohesive and professional brand image.

4. Actively engaged in pitching and meeting with clients, effectively communicating the value proposition and addressing client needs.

5. Gathered and analyzed customer feedback to enhance the app's user experience iteratively.

Web Developer

24x7online.in

Jul 2018 - Aug 2018 (2 months)

Developed an E-Commerce website for the client using Django for the Back-End and HTML, CSS & JS for the front-end.

Education

Vellore Institute of Technology

Bachelor of Technology - BTech, Computer Science and Engineering

2017 - 2021

- GPA: 8.52/10. Converted Four-point GPA: 4/4
- Ranked #8th among all Government and Private Universities in India, NIRF ranking.

Skills
